### 1. Reflections on conference

- Well organised and above expectations.
- Interesting workshops and plenary.
- Take away cross-cooperation techniques to experiment in organisations back home.
- CEV understood what cross-sector collaboration means and the importance of volunteering and lifelong learning.

### 2. Exploitation Meeting

- 9<sup>th</sup> November 2011.
- Looking at the future and emphasis of taking/continuing a project expanding on ideas that could be lead onto from VALUE.
- Developmental education as a project leading off from the VALUE Network.
- People bring proposals/other partners/more than one project to come out of VALUE/long-tern/short-term/possible funding sources (already researched).
- Sector/area ideas not fully formed etc.
- Must have an impact on centre for lifelong learning programmes.
- The travel will be covered /time is likely to be covered.

### 3. Network Evaluation

- Any comments or queries email Phillip but copy in Carol.

### 4. Resources Piloting Group

- Update:
  - no further formal meeting
  - more resources have been added
  - more of a push to fill the more lacking areas
  - more translations of bibliographies needed (into partner languages)
  - overview for education of volunteers across different countries (research) in English

- Employability subgroup (audit) done but there are changes
- Research lead development work – more work done and more cross-sector across not just voluntary and lifelong learning but also including research sector

## **5. Publications**

- Extra three months for production of high quality publications, presentations on CD/website etc.
- Summary of the national reports
- Unlikely to publish subgroup reports in full but some form of summary will be used.
- Subgroup final reports will vary due to differences in techniques of working, leading to an inability to join all the final reports together.
- Maybe an external critical advisor could consult.
- National reports etc. need translation either partner or external translator and claim either as time or pay directly.
- Any unsolved questions in papers – coming out of world cafe etc.

## **6. Partner Budgets**

- Year three timesheets and budgets will be sent out as soon as possible.
- Ideas and spinoff's to be sent to Carol / Alison just in case they can be put in the final reports.
