# Aims of the activity

- To provide a learning resource outside the Network.
- The work will also stimulate individual & organisational learning within the Network (both knowledge & research skills).
- By providing a focus for dialogue, it will encourage Universities & VOs to make personalised links & exchange information at both national & local levels.

# Outputs of the activity

- To meet once and interact by email.  
The work will be a balanced input of collaborative discussion & desk research.  
Each member contributing data & perspectives from their own country.
- To draw up a plan to disseminate the subgroup's work to targeted organisations in their own country & beyond
- To produce a report which provides a learning resource outside the Network & dissemination report

# Content of the reports

The report will:

- a) provide a brief contextual overview to the theme
- b) describe related ULLL-VO activity – including case studies where appropriate
- c) highlight good practice
- d) explore the potential for future activity

# Your individual role in the Subgroup

- Your expertise – what you can bring to the group
- Your questions – what you want to learn from the subgroup activity/resources
- Opportunities to disseminate the particular theme as well as the wider resources of **VALUE**

# Questions/issues to address

- What does the Subgroup consider are the key questions and issues it wants to explore?
- Identifying resources specific to the theme

# Report of Subgroup activity

- When? The main activity is scheduled for Year 2
- Final Report of activity - minimum 1500 words ( typically 3-4 sides of A4 paper) plus dissemination report
- Today – feedback to the full partner group – summarising discussion and key themes/issues to be explored
